

“ Token Utility by certSIGN ” Standard Licence

This licence is granted by **Certsign S.A.**, with its registered office at 107 A Sos. Olteniței, Building C1, 1st Floor, Room 16, Sector 4, Bucharest, registered with the Trade Register under No. J2006000484402, unique registration code 18288250.

All rights reserved by CERTSIGN S.A.

Token Utility by certSIGN is a desktop application that runs on Windows and macOS operating systems. It is designed to help manage your digital certificates for electronic signatures issued by CERTSIGN and stored on tokens. It also provides secure management of PIN codes for the tokens.

1. Your Agreement to this Licence

This Licence applies only to the English version of the Token Utility - certSIGN software and its component files, data and materials (“**Token Utility by certSIGN**”). You must read the following terms and conditions carefully before using, installing, copying or distributing this software. Unless you have another licence agreement signed by **certSIGN S.A.** your use, installation, copying or distribution of **Token Utility by certSIGN** indicates your acceptance of this licence (“Licence”).

This “End-User Licence Agreement” (EULA) is a legal agreement between you (as an individual or an organisation) and **certSIGN S.A.** for the **Token Utility by certSIGN** software accompanying this EULA.

If you do not agree to all the terms and conditions of this Licence, then do not copy, use, install or distribute any copy of **Token Utility by certSIGN** with which this Licence is distributed.

Installing and using **Token Utility by certSIGN** constitutes acceptance of these licence terms and conditions. If you do not agree to the terms of the licence, you must remove the **Token Utility - certSIGN** files from your storage media and cease using the product.

The terms and conditions of this Licence describe the permitted use and users of each Licensed Copy of **Token Utility by certSIGN**. Under this Licence, if you hold a valid single-copy licence, you are entitled to use a single “Licensed Copy” of **the Token Utility by certSIGN**.

This Licence constitutes the entire agreement between the parties on this subject. This Licence shall be governed by the laws of Romania. Any disputes of any kind arising from this Licence shall be settled by the competent common courts of Romania, in accordance with the Romanian legislation in force, and you agree to this. There are no third-party beneficiaries of any promises, obligations or representations made herein by **CERTSIGN S.A.** Any waiver by **CERTSIGN S.A.** of any action or claim relating to a breach of this Licence by you shall not constitute, nor shall it be deemed to constitute, a waiver by **CERTSIGN S.A.** of any action or claim relating to any other future breaches by you of the same or any other provision of this Licence.

If any part of this Licence or the application thereof to any person or in a particular circumstance is, for any reason, deemed invalid or unenforceable, that part shall be deemed unenforceable, and the

Public

validity of the remainder of this Licence or the application of that provision to other persons or circumstances shall not be affected.

2. Scope of Licence

Each Licensed Copy of **Token Utility by certSIGN** may be used by a single person who personally uses the software on one or more computers.

3. Licence Grant

The documentation accompanying the Software is licensed solely for your internal, non-commercial reference.

All rights of any kind in **Utility Token by certSIGN**, which are not expressly granted in this licence, are fully and exclusively reserved by and for CERTSIGN S.A. **Utility Token by certSIGN** is protected by Romanian copyright and related rights legislation and by other international intellectual property laws and treaties. You may use, install and distribute **Utility Token by certSIGN** only as set out in this Licence. You may not rent, lend, sub-licence, modify, convert, translate, disassemble, decompile or create derivative works from **Utility Token by certSIGN**, nor may you permit others to do so. You may not make **Token Utility by certSIGN** available to other users in connection with a service or application provider or similar business, nor may you permit anyone else to do so.

You may not use, copy, emulate, clone, rent, lease, sell, modify, decompile, disassemble, convert or transfer the licensed software, or any subset of the licensed software, unless provided for in this agreement or unless such activity is expressly permitted by applicable laws notwithstanding this restriction.

Any such unauthorised use will result in the immediate and automatic termination of this licence and may render you liable to criminal and/or civil penalties.

You may not upload, post, transfer, distribute or otherwise make available any files or other materials containing text, images, photographs, software or other material protected by intellectual property laws, including, by way of example and without limitation, laws relating to copyright and related rights and trademarks (or rights of confidentiality or publicity), unless you own or control those rights or have obtained all necessary consents to do so, and under no circumstances may you upload materials that infringe upon the rights and freedoms of individuals, contravene legal prohibitions, public morality or good practice.

You may not use any material or information, including images or photographs, available via the **Token Utility by certSIGN** app in any way that infringes any copyright and related rights, trademarks, patents, trade secrets or other proprietary rights of CERTSIGN S.A. or any other third party. You may not transfer, distribute or otherwise make available any files or materials containing viruses, Trojan horses, worms, time bombs, cancelbots, corrupted files or any other similar software or programmes that may impair the operation of computers or damage the property of others.

EULA
Token Utility
V1.0 – July 2026

You may not use any part of the **Token Utility by certSIGN** application to harvest or otherwise collect information about others, including email addresses.

You must not use or reverse engineer the **Token Utility by certSIGN** code, source code or reusable code of **Token Utility by certSIGN**.

4. Separation of components

The software is licensed as a single product. It may not be separated into components.

5. Software transfer

The right to use the software cannot be transferred, as it is granted solely to you. Your copy of the software may be transferred to another device for your own use.

6. Termination

Without prejudice to any other rights, CERTSIGN S.A. may terminate this EULA if you do not agree to the terms and conditions of this EULA. In this case, you must destroy all copies of the Software and all its component parts.

7. Customer support

CERTSIGN S.A. may, but is under no obligation to, provide you with support. Unless otherwise provided for in a separate written agreement with CERTSIGN S.A., it may provide support at its discretion.

8. Exclusions and Limitations

***Token Utility** and any and all of its accompanying software, files, data and materials are distributed and provided 'as is' and without warranties of any kind, whether express or implied, including, but not limited to, any warranties of merchantability or fitness for a particular purpose, other than as provided for in this Licence. CERTSIGN S.A. makes no warranties or representations regarding the use or the results of using **the Token Utility by certSIGN**. CERTSIGN S.A. does not guarantee that the operation of the **Token Utility** will be uninterrupted or error-free, or that the use of any passwords and/or encryption functions will be effective in preventing the unintentional disclosure of information contained in any file, or that the application does not infringe the intellectual property rights of third parties and is not liable for such infringement.*

Please note that any programme, including the **Token Utility by certSIGN** software, must be thoroughly tested with non-critical data before use, and you hereby assume the full risk of all uses of copies of **Token Utility by certSIGN** covered by this Licence.

This disclaimer of warranty forms an essential part of this Licence.

To the extent that applicable laws do not expressly prohibit such limitations, CERTSIGN S.A. shall not be liable for any damage, harm or loss arising from the use or inability to use the **Token Utility by certSIGN**.

Furthermore, under no circumstances shall CERTSIGN S.A. or its directors, investors, officers, employees, affiliates, contractors, subsidiaries or shareholders be liable for any indirect, incidental, consequential, special or punitive damages of any kind arising from the use of **the Utility Token by certSIGN** or your relationship with CERTSIGN S.A. (including, but not limited to, loss of data and information, loss of profit, earnings, business opportunities or advantages, or business interruptions), whether based on a claim or action arising from contract, warranty, negligence, strict liability, compensation or any other legal theory or cause of action, even if advised of the possibility of such damages.

Furthermore, under no circumstances does CERTSIGN S.A. authorise you or anyone else to use **the Token Utility by certSIGN** in applications or systems where a failure of the **Token Utility by certSIGN** to operate could reasonably be expected to result in significant physical injury, loss of property or loss of life. Any such use is entirely at your own risk, and you agree not to hold CERTSIGN S.A. liable for any claims or losses arising from such unauthorised use.

9. Export restrictions

Utility Token by certSIGN is subject to certain export restrictions imposed by the Romanian Government and institutions or agencies of the European Union. If you are (a) in a country to which exports from Romania are prohibited on anti-terrorism grounds, or within a national territory of such a country, wherever it may be located, (b) in a country to which Romania has imposed an embargo or prohibited the export of goods or services, or within a national territory of such a country, wherever they may be located, or (c) a person or entity that has been prohibited from participating in Romanian export transactions by any agency of the Romanian Government, then you may not install, download, access, use or licence **Utility Token by certSIGN**. By accepting this Licence, you warrant and represent that (1) you do not fall under any of the criteria set out in (a), (b) or (c) above, (2) that you will not export or re-export **Utility Token by certSIGN** to any other country, to any other person or entity subject to Romanian export restrictions, including those persons and entities that meet the criteria set out in (a), (b) or (c) above, and (3) that neither Romania nor any other Romanian agency has suspended, revoked or prohibited your export privileges.

10. Intellectual property notices. Reservation of rights and ownership

CERTSIGN S.A. reserves all rights to **the Token Utility by certSIGN**. The software is protected by Romanian law on copyright and related rights, and by other international laws and treaties on intellectual property. **CERTSIGN S.A.** holds the title, copyright and related rights, and other intellectual property rights to the application. The software is licensed, not sold. This EULA does not grant you any rights to the trademarks or service marks of **CERTSIGN S.A.**

CERTSIGN S.A. holds patents, patent applications, trademarks, copyright and related rights, or other intellectual property rights covering these aspects in any web pages that form part of this product. Except for the information expressly provided in this EULA, the provision of such web pages to you
